Hi everybody! I wanted to share a little something I'm doing with you! This year, I am participating in raiseRED at the University of Louisville. RaiseRED is the largest student-run philanthropic organization at U of L that raises money for the Norton Children's Cancer Institute and the University of Louisville School of Medicine's Pediatrics Department of Hematology, Oncology, and Stem Cell Transplantation. Half of the money raised funds various patient and family needs while the other half funds groundbreaking research. Our efforts culminate in an 18-hour dance marathon because KIDS CAN'T WAIT!

I am asking for your help. RaiseRED has provided me with a community of inspiring individuals, and I want to do what I can to give them hope. This year, I am dancing for **(INSERT YOUR WHY I DANCE)**. I dance so that, one day, no family or friend will have to go through the pain of losing someone they love.

Cancer and blood diseases stop at nothing and continue to impact so many families. I would greatly appreciate your help in my endeavor to help these families. My goal is **(INSERT GOAL)**. If you are able to help, you can do so by donating to this link: **(INSERT LINK TO DONATION PAGE.)**

Our marathon will take place on February 21st and 22nd. If you are interested in learning more about this organization or my Why I Dance, I would love to give you the details. Please message me with any questions you may have; I am happy to discuss more!

Thank you so much for your consideration!
