

RAISERED ALUMNI INSIDER

DAISY AWARD!

Grace Fitzsimmons '20 is currently a nurse at Norton Children's Hospital in Downtown Louisville. She spends most of her time on the surgical floor, but occasionally finds herself on the hematology and oncology floor, taking care of kids like our own Cardinal Crew.

Grace is one of the most recent Daisy Award recipients! This is a nationally recognized award which is patient, parent, or coworker nominated. It is then reviewed monthly by committee members who vote and pick a winner for the entire hospital out of all the nominations for that month.

Congratulations to Grace for this incredible accomplishment! We are so thankful for her contributions to raiseRED and the Louisville community.

CONGRATS, SOM STUDENTS!

Our very own raiseRED Alumni members have recently started at the University of Louisville School of Medicine! Best of luck to Drew Grimm, Ben Grimm, Aysha Puzhakarailath, Hassan Ali, AJ Hawes, and all of the SOM Class of 2028!

We would also like to give a shoutout to Megan Imel '11 for her recent recognition of Louisville Business First's Forty Under 40! Megan is a State Farm Agent in Louisville and a ULDM Alum.
