Dear **[NAME]**,

Hello! This is **[INSERT YOUR NAME AND RELATION TO DONOR]**¹. I hope this email finds you well. I am currently a student at the University of Louisville studying **[INSERT MAJOR. THIS IS ALSO THE PERFECT SPOT TO FILL YOUR DONOR IN ON FUTURE PLANS, CAMPUS INVOLVEMENT, ETC]**^{2 3}. I'd like to tell you about a fundraising effort that is very important to me and ask for your support.

This year, I have the opportunity to participate in a year-long effort to help children with cancer and blood disorders in the Louisville area. RaiseRED is the largest student-run philanthropic organization at the UofL which culminates in an 18-hour dance marathon. Instead of running like you would in a regular marathon, I'll be dancing for an entire weekend! I will be fundraising up to and throughout the marathon, raising money for this great cause.

Last year, we raised over \$532,865 through donations from generous donors just like you. I'm personally hoping to raise \$**[INSERT GOAL]**, and am writing today to ask for your help. 50% of the donations to raiseRED directly benefit the research of the UofL School of Medicine's Department of Pediatrics' Division of Hematology, Oncology, and Stem Cell Transplantation. The other 50% goes to the Norton Children's Cancer Institute affiliated with the UofL School of Medicine to provide services and treat needs for the children and their families going through treatment in the Hematology and Oncology Clinic. The money you donate can have a huge impact on the different organizations we support.

[This is a great place to insert your "Why I Dance" to show your donors your dedication to raiseRED and connect them to our cause on a more personal level; if you need help writing this, click [here!](#)]

¹ An example of your relationship to your donor could be, "This is Natalie Gerdes. You may remember me from your fall 2021 ENGL 101 class," if you are writing to a professor OR "This is Natalie Gerdes, Annette's daughter." if you are writing to your mom's friend.

² If you are sending an email to a professor of yours, they know you are a student at UofL, so remove this line.

³ If you hold a position in raiseRED, here is the perfect place to tell and explain your role.

I'd love to talk to you more about this cause, why it's so important to me, and the research being done with the funds. I hope you'll consider supporting my efforts by donating \$**[INSERT A NUMBER, aim for \$50]**. You can do so by mailing a check to the address below, just put "RaiseRED" and my name in the memo line, or by going to my online fundraising page found here: **[Insert your fundraising link URL]**. I will be fundraising up until Saturday, February 25th, 2023 at 11:59am, but donations to the address below are welcome anytime. You can help make a difference in the lives of these children everyday and your support would work to fund life saving immunology research.

Every dollar we raise represents another way none of these kids are fighting alone. Thank you so much for your support and consideration!

Kids Can't Wait,
