## ADVISOR SHOUTOUT!

"I wanted to share how impactful the advisors were on me. I learned more about leadership and how to manage conflict during my time with raiseRED than I have in any job. The advisors do a wonderful job not only fundraising for the children we work for but also spending time and so much effort developing all of the students involved in the organization." - Mary Baker '20

Do you have anyone to spotlight or shoutout? Any fun life updates? We love the opportunity to share what the alumni are up to. Send anything of the sorts to Sarah at [s.esselman21@gmail.com](mailto:s.esselman21@gmail.com)!

## RAISERED.ORG!
