TEMPLATES ARE MEANT TO BE A STARTING GUIDE, PLEASE BE SURE TO PERSONALIZE THEM

Dear _____,

Thank you so much for your generous donation to my raiseRED page. Because of your contribution, each kid we benefit has a fighting chance, and I am one step closer to reaching my goal of **(INSERT GOAL)**. I am so excited to participate in this year's dance marathon in February! This organization means so much to me and **(INSERT WHY YOU DANCE)**. Thank you again for supporting me on my journey to fight and raise money because Kids Can't Wait!

Thanks,
