

Hi friends! I wanted to share a little something I'm doing with you and ask you for your support! This year, I am participating in raiseRED at the University of Louisville. RaiseRED is the largest student-run philanthropic organization at UofL that raises money for the Norton Children's Cancer Institute and the University of Louisville School of Medicine's Pediatrics Department of Hematology, and Oncology. Half of the money raised funds various patient and family needs while the other half funds groundbreaking research. Our efforts culminate in an 18-hour dance marathon because KIDS CAN'T WAIT!

I am asking for your help. RaiseRED has provided me with a community of inspiring individuals, and I want to do what I can to give them hope. This year, I am dancing for **[INSERT YOUR WHY I DANCE. If you need help writing this, click [here!](#)]**. I dance so that, one day, no family or friend will have to go through the pain of losing someone they love.

Cancer and blood disorders stop at nothing and continue to impact so many families. I would greatly appreciate your help in my endeavor to help these families. My goal is \$**[INSERT GOAL]**. If you are able to help, you can do so by donating to this link: **[INSERT LINK TO DONATION PAGE]**.

I will be fundraising up until Saturday, February 25th, 2023 at 11:59am. If you are interested in learning more about this organization or my Why I Dance, I would love to give you the details. Please message me with any questions you may have; I am happy to discuss more! Feel free to share this message as well to help me reach a wider audience. Thank you so much for your consideration!

[It would be a great idea to include a picture of who you dance for or of you from a previous marathon to make your post more personal.]
